

NO COMPROMISE

Every single part of the Platt-Forms Aluminium Series - from the smallest rivet to the largest drawer - is made in the UK, so you don't end up on your arse. There's no corners cut, no fear that they won't do the job and no compromise. That's a promise.

FOOTPLATE STORAGE

The Footplate can be stored under the main box (left) or removed and replaced (below left) with the Footplate protecting the front of the box.

SWIVEL MUD FEET

The Swivel Mud Feet automatically adjust to any angle of bank. The large surface area provides a firm base.

SERIES AIR STRAP

All Aluminium Series boxes come with a non-slip, super cushioning, detachable Air Strap

AERO SEAT

Built using the same foam as commercial aircraft seats for better comfort, support and longevity.

ADD ON DRAWER/STORAGE TRAYS

Drawer/Storage Trays can be added on to any Aluminium Series Box. Additional Drawer units come with drawers fitted. Storage Trays have a one-piece moulded insert.

- 2" Storage Unit £39.99
- Single Side Drawer Unit £79.99
- Double Side Drawer Unit £99.99

REMOVABLE BOTTOM STORAGE

The Bottom Storage compartment can be removed on boxes built on the Centre Chassis option.

DRAWER OPTIONS

The design of the Aluminium Series enables two Shallow Drawers to be replaced by one Deep Drawer. All Drawers have two inbuilt runners on the base to prevent sticking. Side Drawers can be opened from both sides.

SERIES MODELS

All Aluminium Series boxes are built to the same high standard and are available in both Black or Blue. Coloured areas have a powder coated finish (not paint sprayed) for durability. All come with retractable Aluminium Footplate. Centre or Bottom chassis option on all boxes.

'Hands Free' Side Tray Bag

LUGGAGE

Produced in the UK exclusively for Platt-Forms UK, the Luggage range is made from 800 denier heavy construction polyester with P.V. coating for weather proofing and durability. Fitted with ultra glide zips, with anti rust fittings and rubber 'sure grip' puller tabs, Platt-Forms luggage is tough and durable.

Rod Holdalls are 75" (190cm) long to cater for long pole 16m sections and 3 piece 18' rods. Main compartment has full zip access. External broly pocket and bankstick pockets have zip access and flap tops with quick release buckles.

Carryalls are available in Pro and Ultra models. Both have huge capacity with the Ultra version having an extra wide pocket for Side Trays. Net pockets have capacity for two nets.

The new 'Hands Free' Side Tray bag fits onto the front platform legs for easy transport.

Matching Groundbait Bowls are also available.

All luggage is available in Black or Blue.
